HAYS PARK

Sit in the grounds of Hays House is the purpose built, well established and sought after development of Hays Park. Constructed in the early 1990's and situated within stunning Wiltshire countryside, this set of well designed properties provide an idyllic setting with the balance of readily accessible amenities.

THE PROPERTY

Occupying an enviable spot within the development, this two-bedroom apartment enjoys a welcoming sense of space and natural light whilst taking in pleasant views across the open countryside.

A true focal point of the home is the open plan sitting dining room with its French Doors leading onto a private balcony whilst the kitchen, conveniently located from the dining space, offers a magnitude of storage cupboards, work surface and appliance spaces. Benefitting from a dual aspect, the principal bedroom is a well-proportioned room with the added advantage of built in wardrobes to provide plentiful storage options.

The second bedroom is again a fair size that could equally act as a hobby or study room if desired. Completing the home is a three-piece family bathroom that includes a bath with assistance lift and a further separate cloakroom.

OUTSIDE

Externally, the immaculate communal gardens are attractive and accessible. There are plenty of sitting areas, a summer house, access to local foot paths as well as some breathtaking views of the beautiful surrounding countryside.
